Interview Summary

Applicant's attorney, Michael Colby, wishes to thank Examiner Wilson Lee for a telephonic interview on July 30th, 2007.

During the interview, Applicant's attorney and the Examiner discussed differences between the Vaschillo reference and some of the claims, such as Vaschillo's teachings relating to altering the format of data and use of a diffgram to update a database. Applicant's attorney understood the Examiner to consider Applicant's argument persuasive and thus that the Examiner considers the claims allowable over the art of record. The Examiner indicated, however, that the allowance of the claims is subject to an additional search.

Applicant respectfully requests a phone call if the Examiner thinks there are any further issues that might delay issuance.

Rejections under § 102

Claims 1-31 stand rejected under 35 U.S.C. § 102(e) as being anticipated by U.S. Publication No. 2003/0236859 to Vaschillo et al. ("Vaschillo").

The Examiner indicated his intention to withdraw these rejections of the pending claims.

Conclusion

All of the claims are in condition for allowance. Accordingly, Applicant requests that the Office issue a Notice of Allowability. If the Office's next anticipated action is to be anything other than issuance of a Notice of Allowability,
5 Applicant respectfully requests a telephone call for the purpose of scheduling an interview.

Respectfully Submitted,
